Summer 10, 11, 12
Friday July 21st 2023

Dear Parents/Guardians/Carers,

As we come to the end of the academic year and the summer break begins on Monday 24th July, please accept my thanks for your ongoing support of your children and your support of our school.

It has been a busy Summer Term and I hope that the summer holidays will bring some opportunities for increased family time, although this often presents additional challenges and pressures too. Above all, I hope that you will all stay safe and well. We look forward to seeing the return of our learners in September, welcoming new Year 7 learners and Sixth Form students.

YEAR 11 ACHIEVEMENT CEREMONY - Friday July 8th

It was wonderful to see so many Years 11 in their finery, looking very glamorous and grown up, with so many of you in attendance, for the Year 11 Achievement Ceremony. A really momentous and celebratory occasion, we were joined by Samuel Kurtz MS and the Chair of Governors, Mrs Sally Elliott, who both presented many different awards to our learners. As part of the ceremony, I asked our Year 11 learners to show gratitude to you, their parents for their unconditional support of them during their time in school and Samuel Kurtz invited parents present to show their support for their Year 11 learners. We also heard the words of Walt Disney taking about his success.

"People often ask me if I know the secret of success and if I could tell others how to make their dreams come true. My answer is, you do it by working hard. The way to get started is to quit talking and begin doing. All of our dreams can come true if we have the courage to pursue them."

All best wishes to the class of 2023, for their next steps, whether returning to our Sixth Form, taking up offers of places at Pembrokeshire College or Coleg Sir Gar, or taking up apprenticeship or employment opportunities.

THE FRIENDS OF YSGOL HARRI TUDUR FETE - Friday June 23rd

After a spell of lovely warm weather, the rain on the morning of the fete on June 23rd was disappointing but thankfully stopped in time and did not stop a large number of you from coming – thank you! £1600 was raised by the Friends of Ysgol Harri Tudur. Every penny of this amount will be spent on learners at this school. Many thanks to the Director of Education, Steven Richards-Downes for opening the fete and coming to be with us during the afternoon.

SPORTS DAYS AND SPORTING SUCCESS

After a few weeks of anticipation and organisation Ysgol Harri Tudur challenged our House's in a variety of sports. Learners would compete to be overall champions and take home the house sports cup. Year 7 & 8 started proceedings on Monday with some thrilling games of: Rounders, Softball, Football and Netball. A great sense of excitement and achievement was had by all. We also had entries of archery and boccia with learners showcasing their accuracy and poise as they aimed towards their targets. Day one saw Upton house as overall winners for KS3. But it was still all to play for on Wednesday when our Year 9 & 10s put their best foot forward to challenge the scores of Monday's performances.

Wednesday was just as thrilling as KS4 entered the field of play. The competitive spirit of the day was strong with some brilliant games and skill displayed throughout the day. Winners for KS4 overall were Manorbier and Picton & Narberth. With points accumulated over the two days the overall House sports winners were..... Picton and Narberth.

Congratulations and well done to all learners who contributed and supported their house across the two days. It was an enjoyable event for all learners and staff.

Graffiti / Criminal Damage to School Equipment

It is disappointing that I need to write yet again, about a very small minority of learners who seem determined to spoil the school environment for others. It is even more disappointing that I have to mention it at all. Most recently, a learner has defaced a school chrome-book, with a £180 replacement cost.

Here once again is the warning that those learners who unfairly choose to behave in this way, will face consequences, including reporting the damage to the Police. Regrettably, parents of learners who cause criminal damage will be asked to pay for repairs for the damage that has/have been caused. I know that there

Donations from local companies for learner achievement (self-employed parents)

Donations from local companies with your generosity will enable us to recognise a number of learners and the rewards will be given in your name. Just a reminder, that if any self-employed parents with businesses could see their way clear to donating small amounts, this would significantly help us to reward and recognise the achievements of many of our learners. Please contact my School Business Manager, Mr N Makin, nmakin@yht.wales if you are able to help. Thank you once again in advance, if you are able to help, we know times are tough at the moment and very much appreciate it
